Other: Before flight operations, every pilot must enter their name in the logbook. Instruction by the flight director is required. Without a flight director, flight operations are not possible. Models must be marked according to the current regulations. Valid insurance cards and proof of knowledge must be presented. Without these requirements, flying is prohibited! The club will organize some fixed helpers who will take care of the turn judge position at Pylon 1 and the timing. Other positions must – as already tested in the last season – be filled by the pilots. The setup and takedown of the course and the measurement system will be carried out collectively by the participants!

Privacy: We use personal data (name, address, phone number, email, date of birth, club membership) only for the organization and execution of the competition. We do not store this data beyond the legally required retention periods. This personal data may also appear in published result lists. For documentation, reporting, and possibly for advertising this or similar events, participants are photographed during the event (competition) and the award ceremony. Some of these images may also be published (including online) in professional journals, forums, and other media.

Disclaimer: Any liability of the competition organizer for damages, which arise especially in connection with the organization and execution of the competition, the obligation of a competition participant to take out insurance pursuant to § 43 paragraphs 2, 3 LuftVG, to register pursuant to Art. 14 DVO (EU) 2019/947 and/or to prove their required knowledge pursuant to § 21f paragraph 2 LuftVO, is excluded, in any case limited to any insurance sum of the competition organizer, unless personal injury occurs and this has been caused even slightly negligently or any other damage occurs and this has been caused grossly negligently; this exclusion of liability does not apply in the case of intentional conduct.

We wish you a safe travel and a successful competition ;
